With four of our starting eleven unable to play I was a bit nervous travelling over to Devonport.

But we started fairly well with three or four good opportunities up until half time.

At 0 - 0 it was still anyone's game. After half time we made Devonport's keeper look good with another four to five shots straight at her.

Devonport scored first with a scramble just outside the goal square but we equalised soon after from a long shot over the keepers head.

Devonport was soon after awarded a penalty which put them 1 up and that was the final score, 2 - 1.

We lamented not taking our opportunities as this was a very important game. It was noted by those who saw the game that this was one that got out of the bag.

Sour grapes? You bet.

Shooting practice this week!!!!!!!
