

Somerset Soccer Club EST 1979

WOMEN 09/05/2010

Our first game against Ulverstone red resulted in our second 2 – 1 loss in two weeks.

As usual against Ulverstone it was a hard game. Ulverstone scored first after a mix up with an offside call but soon afterwards we managed to equalise and at half time the score was 1-1.

The sharks had a good deal of the ball but unable to capitalise on a number of chances.

During the second half we started strongly hitting the crossbar soon after and having some good opportunities after some really good moves.

Ulverstone then scored after a scramble in the box and then managed to shut us down.

The pressure of another game getting away saw our skill level drop in the last fifteen minutes and that was the final score.

I think we were quite unlucky during this game but then you have to make your own good luck sometimes.

Congratulations to Sarah Cowan on her 50th game for the Sharks.
