Somerset Women v Ulverstone Black

This game resulted in a 2 – 0 win for the Sharks. The last time we met we defeated this team 8 – 0 at home and as we had a number of injuries the girls seemed to take this game rather easy. During the first half we pressured their defence but only managed to score 1 goal. Scored by S.Glover.

After half time there seemed to have a bit more urgency but to Ulverstone's credit we only managed one more goal scored by S. Cowan although we had quite a few opportunities but could not convert.

The second half was also marred by a serious ankle injury to V. Williams who had a trip in the ambulance to Hospital and possibly quite a few weeks on the sideline.
